

# LUCON CLEANER

Transparent

## DESCRIPTION

*LUCON Cleaner* is used to prepare surfaces that are intended to be bonded to each other. It reliably removes greases, oils and dirt from rubber, plastics and metal surfaces.

## CHARACTERISTICS

Base	Ethyl acetate
Minimum shelf life	18 months
Storage conditions	Dry, cool, in closed container

The values determined in the laboratory can be used as an orientation and may deviate in practice. The suitability of *Lutze Cleaner* should be tested in a trial application.
